*Utah requires their residents to provide proof of citizenship the first time they register to vote. This means providing a birth certificate or passport and any documentation needed to link those documents to your voter registration.

Utah is an all mail-in voting state, which means the primary way to vote is to receive your ballot in the mail, complete it, and mail it in, deposit it at a drop box, drop it off at a vote center. Traditional in-person voting during early voting and on election day is still available at vote centers.
